

RadioPRO ADVANCED INTEGRATION & INSTALLATION KIT FOR STINGER HEIGH10® OR ELEV8 RADIOS

2018-2020 Jeep Wrangler JL 2020 Jeep Gladiator JT

Introducing PAC's new RadioPRO Advanced fully integrated Jeep kit for Stinger's HEIGH10® or ELEV8 radios. SRK-JW18EH enables you to replace a Jeep Wrangler or Gladiator factory radio with a show-stopping HEIGH10 or ELEV8 while retaining factory features and adding even more upgraded features!

KEY FEATURES

- Dash kit and mounting hardware included for beautiful factory look with either the HEIGH10 or ELEV8 Stinger radios
- Enables interactive on-screen climate controls, vehicle settings, & customizable vehicle performance apps
- Provides more control over your installation with RadioPRO controlled camera triggers, steering wheel controls, and factory amplifier control

RETAINS (IF EQUIPPED)

- All factory cameras in full high-definition
- Dual and single zone factory climate control
- Factory amplifier
- Factory USB ports
- Safety chimes and features, including Park Sense
- Steering wheel controls
- Auxiliary switch panel settings
- Heated seats / heated steering wheel
- On-screen vehicle settings menu
